

CENTRAL JERSEY COLLEGE PREP CHARTER SCHOOL has won a 2020 College Success Award

We are proud to announce that CJCP has received [GreatSchools.org's 2020 College Success Award!](#)

The College Success Award recognizes and celebrates high schools like ours that demonstrate excellence in ensuring students are prepared to succeed in college and ultimately careers.

CENTRAL JERSEY COLLEGE PREP CHARTER SCHOOL is one of 2,158 schools in 29 states across the country to be honored with the Award, which is based on data indicating how our school prepares students to succeed after high school, including whether they enroll in college, are ready for college-level coursework when they get there, and persist into their second year. See the list of schools that won in our state and learn more about the award and the promising practices from other Award-winning schools at <https://www.greatschools.org/gk/csa-winners/>.

We hope you'll join us in spreading the word about the CJCP's notable achievement. Below are sample posts you can use or adapt to help spread the word on your social media channels. Be sure to tag our school in your post with @cjcpes, @CJCPCS:

- .@GreatSchools' #CollegeSuccessAward has recognized CENTRAL JERSEY COLLEGE PREP CHARTER SCHOOL as a high school that succeeds in preparing students to enroll in and stick with college! Learn more: <http://bit.ly/2UXtOCX>

- #DidYouKnow that CENTRAL JERSEY COLLEGE PREP CHARTER SCHOOL just received the #CollegeSuccessAward? Our school stands out for how we prepare students to enroll in and stick with college. Learn more: <http://bit.ly/2UXtOCX>

We applaud the hard work of the entire CJCP community—including our students, parents, teachers, and others that aspire to help our students succeed in college and beyond. Congratulations on receiving the College Success Award!

In the news: Fall Fest at Central Jersey College Prep

By MALIK A. LYONS

November 1, 2020 at 8:26 PM

SOMERSET, NJ - The Central Jersey College Prep Charter School hosted “Fall Fest” for students and their friends, Saturday afternoon, at the school’s parking lot.

Attendees showed up wearing costumes and were treated to goodie bags and had the opportunity to play judge in the best-themed trunk or treat display and best jack-o-lantern contest.

Organizers and school officials held the event to help bring a sense of normalcy during the COVID-19 pandemic.

“CJCP is committed to the social and emotional development of students,” Dr. Namik Sercan, CJCP Chief Education Officer told TAPinto. “Working with our parents, we put together this event so that our students can continue to experience normalcy in a safe way.”

The NED SHOW

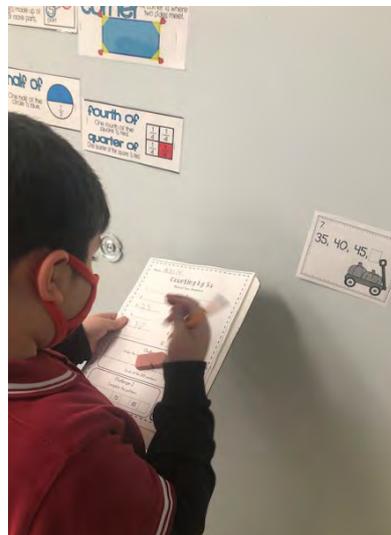

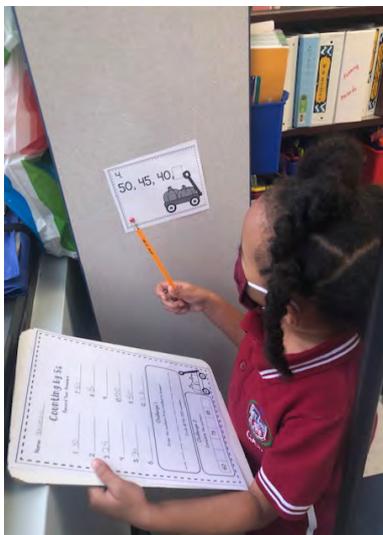

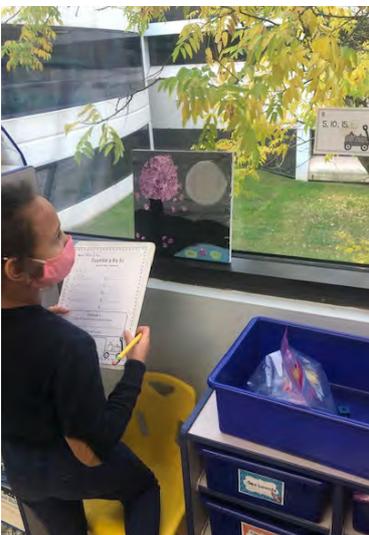

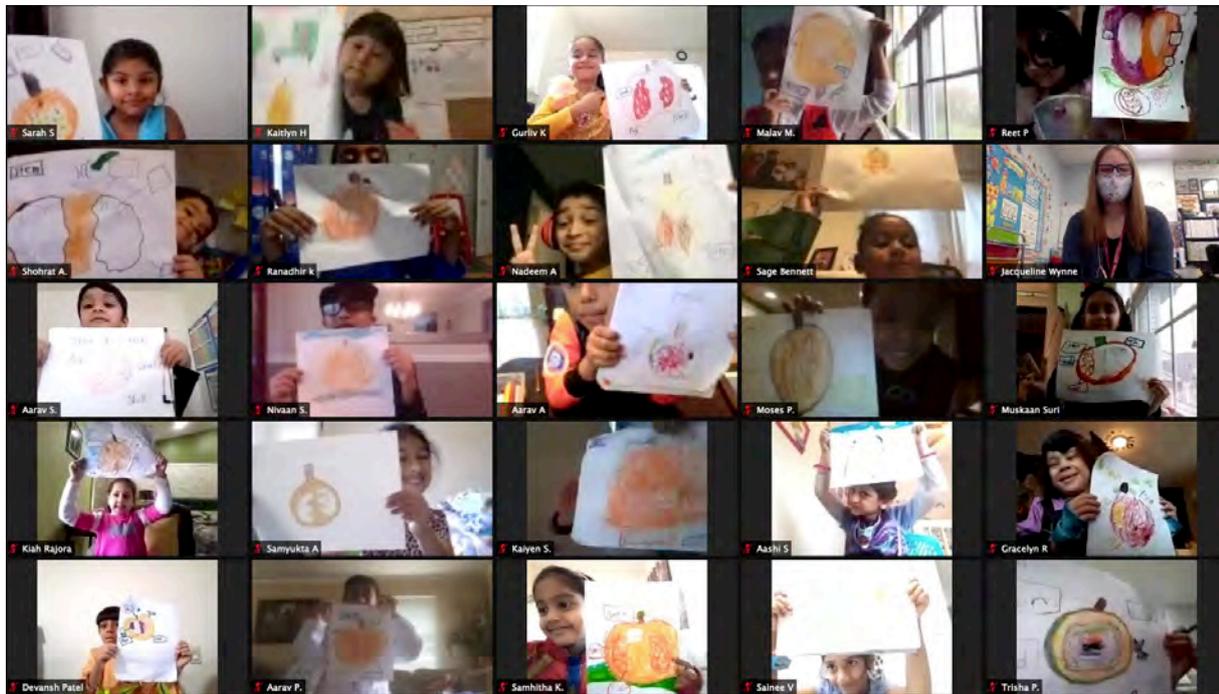

Here are some pictures from our classrooms...

Here are some pictures from our fall festivities on Friday, October 30th! The kindergarteners had an amazing time using Scholastic News to learn about pumpkin facts and the parts of the pumpkin. We added to our schema because we learned that large pumpkins can be made into boats because pumpkins float in water!

As a class, we made a diagram of a pumpkin and labeled the different parts: shell, flesh, pulp, seeds, and stem! Mrs. Sarlo

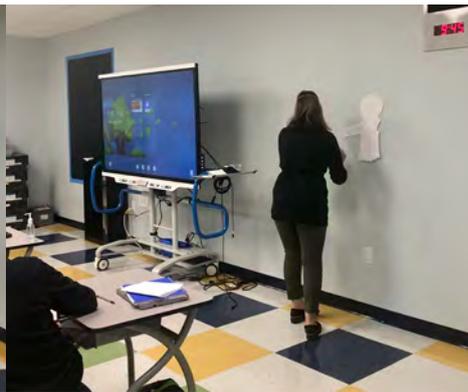

First grade has been learning about skip counting. The students did a “write the room” activity where they searched for card clues around the classroom and solved the clues by counting by 5’s. Mrs. Gonzales

Here are some more pictures from our classrooms...

Ms. McIntyre, our school counselor, provided us with ribbons to create and decorate for world unity day. The third grade hybrid classes completed this activity and have now hung up their work in the hallway. We are celebrating being kind to one another and taking a stand against bullying. *Ms. Gettelfinger*

Mrs. Sudah's lesson for the 4th, 5th and 6th graders this month was a lesson about respect. In this specific lesson the students participated in an activity that demonstrated how the effects of unkind words can leave emotional scars. The students then practiced creating meaningful apologies that might heal some of the emotional scars caused by the unkind words. A follow-up discussion with the students clarified that although apologies are important, sometimes the scars remain, indicating the importance of using respectful language and thinking before we speak.

Ms. Butera's & Ms. Macaro's science class created their own fossils! They have been learning all about how fossils are clues to what Earth was like long ago!

CJCP Fall Dress Down/Dress Up Day

Respect Week

Friends in Mrs. Schembari's and Ms. Skrocki's class wore blue for the Week of Respect!

Lego challenge/Respect week in Ms. Matthew's Class

Kindness is our super power!

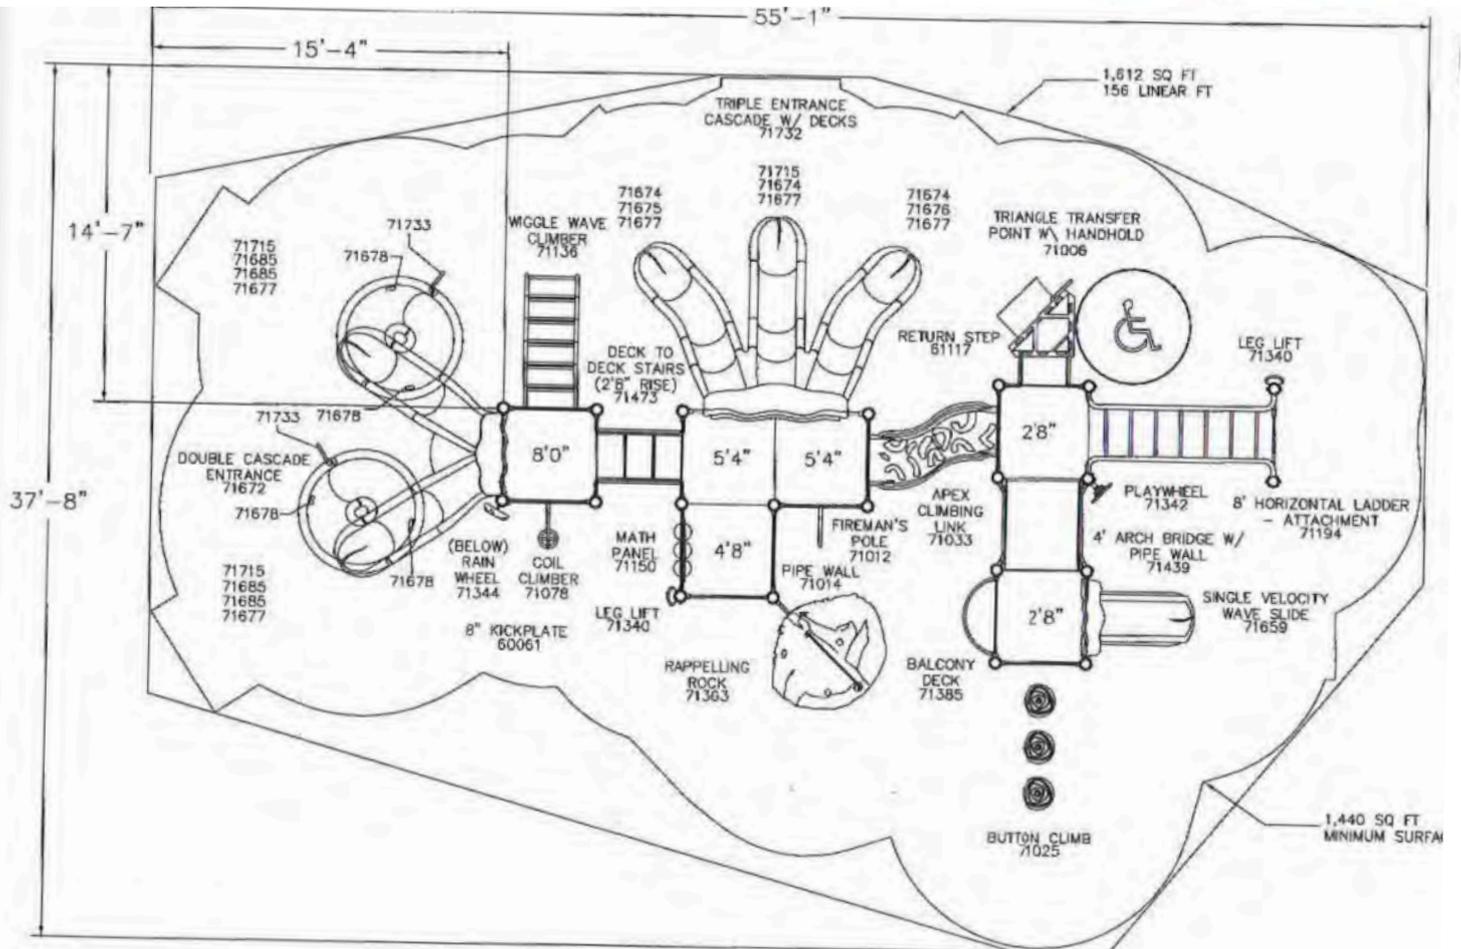

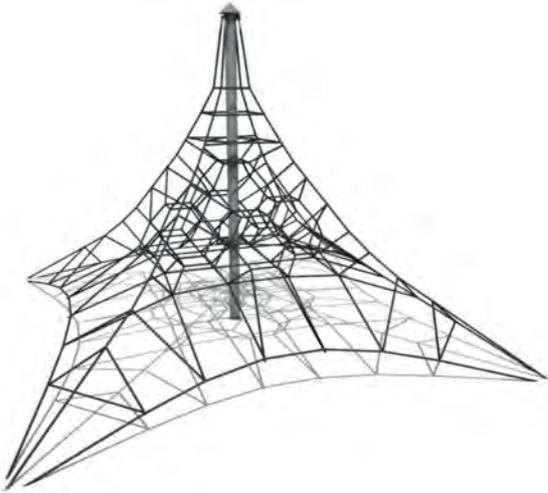

Ms. Sollazzo's class made signs about how they show kindness!
