

Dear Parents and Guardians,

Week of Respect is October 5th through October 9th. CJCP has a zero tolerance policy for bullying, cyberbullying, intimidation, or harassment. It is important for us to maintain a safe and supportive learning environment that is free from bullying and harassment, and/or intimidation.

Next week is dedicated to promoting respect and creating an inclusive school climate, so that all students and other members of the school community feel safe and respected. The Counseling Department will be engaging our hybrid and remote students in various activities and lessons on respect throughout the month of October.

Join the CJCP staff in solidarity to stop bullying and promote respect for all on Friday, October 9th, by wearing a blue shirt. Wearing a blue shirt represents the world wide message of bullying and cyberbullying prevention. Let's send a positive message that this prevention is heard around our school. Thank you for your continued support of your child's education and social-emotional learning.

Sincerely,

The Counseling Department
